

WHO WE ARE?

Shield Corporation Limited established its operation in the year 1975. We manufacture Oral Care & Baby Care products. The range includes a variety of Toothbrushes, Baby Feeders, Soothers, Teethers, Nipples, Training Cups. and Diapers Team Shield® is committed to providing best quality products to our consumers under the guidelines of ISO 9001 system requirements, moreover to the protection of the environment and for enforcement of strict code and regulations ISO 14001 system. Shield is a UK trademark company.

Procurement & Global Presence

With increased interconnectivity between financial and product markets, Shield® is following the trend of globalization and determinedly navigating a single economic sea. Shield's® procurement and imports, including sole representations, reach out to different continents like, Europe, Asia and Africa.

Shield® is currently importing its raw material for Baby Care & Oral Care segments from world renowned manufacturers located globally including Germany, United Kingdom, Saudi Arabia, China, Singapore, France, Thailand, Taiwan, and Malaysia.

For private labeling, Shield® jointly works with its foreign customers in China for the development of their product and its packaging / branding as per their demand which is in-line with the end consumer expectations.
