our expertise”

# About us

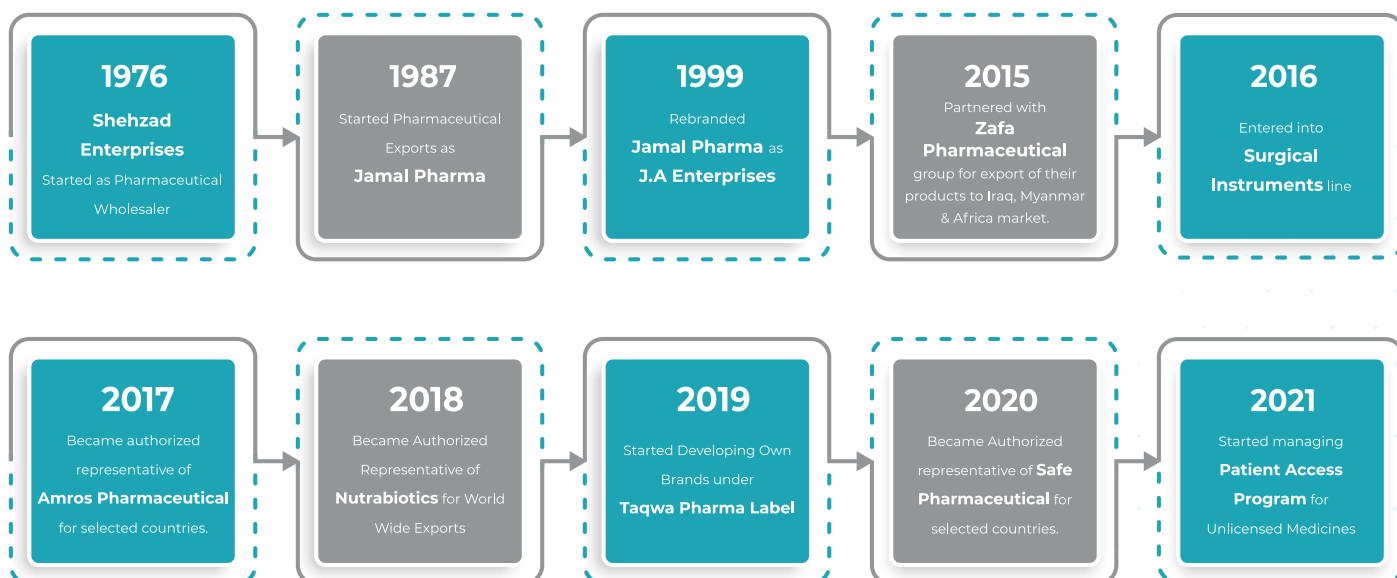

In 1976 Started business as a Pharmaceutical Wholesaler by the name of Shehzad Enterprises in Karachi, The Largest & The Port city of Pakistan. Later in 1987 started Export's of pharmaceutical product by the name of Jamal Pharma, which was later rebranded to J.A Enterprises in 1999. In 2019 we started getting our own Brand developed under the label of Taqwa Pharmaceutical & Surgical. Today, Taqwa Pharma has established itself as a successful and productive company with the help of dedicated efforts, honesty, sincerity and innovations with international contracts with suppliers, manufacturers, wholesalers and companies. Taqwa offer custom-tailored sourcing and supply solutions for almost every branch of the pharmaceutical business.

Taqwa Pharma has also initiated to contract manufacture and market products under its own brand names. The company has also been able to win supplies from major Multi-National Corporations for many territories. Taqwa Pharma exports products South East Asia, West Africa, East Africa, Middle East, Far East and Caribbean islands which in total comprises over 23 countries in these regions.

## The major operations of Taqwa Pharma are divided into three major divisions, which are:

## Time Line

## Pharmaceuticals

Taqwa's Pharmaceutical Division deals in import and export of branded and generic high-quality pharmaceuticals products at competitive prices. In addition, Taqwa specialize in contract manufacturing of generic Pharmaceutical products for overseas client. As a testament to Taqwa's strict adherence to quality and excellence, they have partnered with some of the leading GMP and ISO certified pharmaceuticals manufacturers in Pakistan. Taqwa adopted a unique approach to the market that has resulted in distribution agreements (for export) with major international and local pharmaceutical manufacturing companies. Taqwa is also managing Patient Access Program for unlicensed medicines.

## Nutraceutical
